

## Theoriekolloquium

---

Am **14. Dezember 2023** um **14.15 Uhr** im Raum **W2 1-143** hält

**Herr Prof. Lewis Clayton (University of Colorado)**

einen Vortrag mit dem Titel

### **An Introduction to Large Language Models**

Large Language Models like ChatGPT, Bard, or LLaMA are exciting wide interest. This talk aims to provide an accessible introduction to these models, illustrating their capabilities and limitations. It will also explore what has been learned about how the models do what they do.

Interessierte sind herzlich eingeladen.

gez. Prof. Dr. Ulrike Feudel
