

SCARE Talks

- Each SCARE doctorand will present his/her progress, the accomplished tasks during the last period, and research plans for the next period.
- The duration of each talk is 25 minutes, including 5 minutes for the discussion.

Cross Potential Publication (CPP) Workshop

- In this part, the participants will be divided into groups.
- The members of each group will share their ideas about their own fields. Afterwards, the group has to find a common research point among the group members.
- Each group has to prepare a short presentation (max. 10 min.) about the developed ideas.
- The ideas will be presented on the closing day.

Excursion

- A tour will be made and the group may visit Cuxhaven. It will cost approximately 28 euro per person. For more information, please get brochures from SCARE room.
