The Engineering Physics students are inviting all current students and alumni for a day of fun. Enjoy the summer, exchange experiences and reconnect with old friends!

We would be very happy to see as many of you as possible on the **17th of June** at the Wechloy Campus of the Carl von Ossietzky University of Oldenburg. This event will take place annually every third Saturday of June and will be always self-organized.

At 12 o'clock after your arrival in Oldenburg central station, you will be met and taken for a bike tour around Oldenburg (bike rental is possible). Those who want to skip the bike tour can start at 15 o'clock with the picnic activities (volleyball, soccer, card games or whatever you bring) at Wechloy Campus. Additionally, you can join the BBQ underneath the Ringebene organized by second semester students. After 20 o'clock, we can enjoy the night in one of the beautiful bars in Oldenburg.

| Activity | Time | Meeting Point |
|-----------|-------------|---|
| Bike Tour | 12:00-16:00 | Oldenburg central station, Fahrradstation Süd |
| Picnic | 15:00-20:00 | W06 Sportgebäude (Campus Wechloy) |
| Bar time | From 20:00 | Wallstraße area, starting at Charly's, later Fiddler's Green... |

Please consider the following:

- Feel free to bring outdoor games (football, volleyball, kubb, frisbee,...). Sport fields available.
- Bring food, drinks, dishes and blankets for the picnic.
- If you want us to rent a bike for you, please send an email to the contact partner until the 11th June. Cost: 10 Euro.
- People joining to the bike tour can leave their picnic belongings (food, drinks, etc.) during the tour by us (we will pick them up at Oldenburg central station at 12 o'clock).
