

Plekhanov Russian University of Economics

INTERNATIONAL BUSINESS SCHOOL IBS-Plekhanov

**IBS-Plekhanov - a truly international
business school at the oldest university with focus on
Economics in Russia:**

- The first higher education programme in Russia with all tuition in English, since 1992
- The most experienced business school in Russia in international cooperation (student exchange and double degree)
- Over 50 partner universities/business schools/Grandes Ecoles all over the world
- A choice of undergraduate programmes: Marketing or Finance, both in English
- A choice of Master Degree programmes: International Corporate Finance or Innovation Management, both in English
- An excellent opportunity for international students to study Russian in small groups, up to 18 hours a week. A highly experienced teaching team of the Department of Russian, a certified examination centre for Russian as a foreign language (TRFL)
- A special Doing Business in Russia module for international students
- Guest lectures and workshops by leading international companies operating in Russia
- Own interuniversity case contest for 1st, 2nd and 3rd year undergraduate students, in English, with an independent authoritative panel of assessors (in 2011 and 2012: Unilever, Ernst & Young, Cambridge Assessment and Macmillan)
- Annual International Plekhanov Conference, in English: an opportunity for all students to present their papers in various fields of Economics, have them assessed by faculty and industry experts and then published.
- Campus and dormitory in the very heart of Moscow, within walking distance from major tourist attractions, and just 100 meters from the metro station
- Plekhanov University International Office - central contact point for all international students
