UNIVERSITY EDUCATION

University and location	Institute	Years of study (from...to...)	Major field of study	Degrees / Diploma

CHECKLIST OF DOCUMENTS TO BE ATTACHED* (all statements can be also found in the application for admission as a doctoral candidate of Faculties II, V, VI)

***A) You were already admitted as a doctoral candidate at the Faculty II, V or VI:**

You just need to sign the following letter of agreement, that the graduate school may request the documents from the faculty. Please add your proof of admission of the faculty.

***B) You are not yet admitted as a doctoral candidate at the Faculty II, V or VI:**

Please attach the following documents and the application for admission as a doctoral candidate of the Faculty II, V or VI (the documents and statements [f, g, h, j, k] to be attached are the same for both applications and have to be submitted only in one attested copy).

- a) Curriculum vitae (in English or German) or an outline of the academic career
- b) The promotion subject (title of projected Ph.D. thesis) including a brief description of the project in coordination with the designated supervisor (*1 page is sufficient*)
- c) A certificate of the general qualification for university entrance
- d) Certificates and documents according to § 5 (1a and 2) or application with certificates and documents according to § 5 (3) (*e.g. Master und Bachelor Certificates and Transcript of Records*)
- e) List of articles by the applicant that have already been published (*e. g. included in the CV*)
- f) A statement on any previous unsuccessful applications for admission as a doctoral candidate including the date of first application, the respective university and faculty or department to which the Ph.D. thesis was submitted as well as the promotion subject (*see the application for admission as a doctoral candidate*)
- g) A statement by a professor or a person fulfilling the qualifications according to § 6 (3g), who is usually a member of Faculty V, that she/he agrees to supervise the applicant's projected Ph.D. thesis
- h) Confirmation by the supervisor that she/he will provide the technical equipment and/or a work place for the normal period of a doctoral thesis
- i) If applicable, an application for a binational promotion or another joint promotion procedure (§ 3 - regulations of the Faculty of Mathematics and Sciences) stating the cooperation partner university
- j) A statement confirming that the guidelines to good scientific practice of Carl von Ossietzky University Oldenburg are known and will be observed
- k) A statement confirming that no commercial exchange or advisory services (promotion coaching) have been used in connection with the promotion procedure
- l) If applicable, a supervision agreement between the doctoral candidate and the first supervisor or the promotion committee including a statement covering the items b), c), h), g), i) and j).

STATEMENT

1. I assure that I have filled this application correctly and completely
2. I am aware that incorrect information may lead to exclusion from the University of Oldenburg
3. I am aware that as a PhD student of the University of Oldenburg I must enrol each term
4. I am aware that a copy of the Graduate School admission letter may be sent to my supervisor and to the coordinator of my study program. It contains information about the credit points to be achieved and additional courses to be taken.
5. For **international** candidates: we will forward your E-Mail-Address to the PhD-Tutors for international students to give you further information and assistance. Please cross, if you agree:

Date/Signature:

Letter of Agreement

I hereby authorize Mrs Oili Tsakmakis, on behalf of the Graduate School Science and Technology, to have access the above mentioned documents required for the Graduate School admission.
