Requests can only be processed if the form is filled in completely and handed in together with a course/module description.

## Minor psy 140 – Request for Approval

Name and email address of the student
---------------------------------------

Details about the courses or modules that you want to take for psy 140 Minor (attach course/module description!):

course number	module number	name	university	offered in study programme(s)	teacher	Credit points	Type of exam	Approved yes/no (do not fill in)

Comments and/or English translation of the course titles as they will appear on your Master's diploma:
--

Please note (additionally to regulations in the module handbook):

- We can only accept courses/modules on Master level
- Bachelor courses/modules that are also offered in Master of Education programmes are NOT acceptable! (Please check in StudIP)
- Courses/modules listed in the module handbook do NOT need additional approval
- Ask for approval BEFORE you attend the course/module
- It is your responsibility to ask the teacher whether you can take part
- If you only want to take a course and not the entire module, ask the teacher how many credit points you will get only for the course. Some teachers might not agree to give you credits for only parts of the module!
- Once you have completed the course/module, hand in this signed approval form together with a certificate of completion (e.g. 'Modulbescheinigung' on the website of the examination office) to the examination office.

If applicable, reason for disapproval (do not fill in)
