Editorial office: Electoral office (Tel.: 798-5124, e-mail: wahlamt@uni-oldenburg.de)

At its meeting on 01/25/2024, the Election Committee determined the election results for the elections of the

Group representatives in the Senate and in the faculty councils (Term of office from 01.04.2024)

in accordance with Section 17 (7) of the Election Regulations (WahlO), which is attached as Attachment 1 (student group).

Note:

In accordance with § 21 WahlO, the election can be contested by written objection, which must state the reasons, within one week of the announcement of the election result. The objection of the university management or the election officer must be addressed directly to the election committee. Objections from other members of the university must be submitted to the election officer. University members are only entitled to object with regard to the election of the representatives for whose election he or she is entitled to vote. **The objection period ends on 02/02/2024.**

In accordance with Section 11 (1) No. 1 of the Electoral Regulations, the election of **the doctoral student representatives** was not held because there were not more admitted candidates than seats available. The seats were therefore allocated without an election in accordance with **Attachment 2**.
