

10 Years Uni-Lotsen 2008 – 2018

Service Data of the Carl von Ossietzky University Integration Pilot Service

Personal assistance, accompaniment and support

- **260** students were cared for individually (being assisted with meetings at public authorities, health insurances and BAföG office, given IT support, assisted with forms and the search for apartments and scholarships, given language mentoring etc)
- **659** proofreading jobs were carried out (433 assignments and less voluminous corrections plus 226 diploma/bachelor/master theses and dissertations)
- **55** students were coached individually (preparing personality profiles and application papers, supporting the search for jobs/internships and helping with company interviews)
- **32** language tandems were arranged within the pilot service team (e.g. International Coffee Hour) or forwarded to the university language tandem office
- 2 German language courses were carried out bridging semester
- Cooking (Chinese 2, German, Indonesian, Taiwanese, Syria and Vegan Cooking)

Integration Pilots being contact persons at

- the Information stall (carried out 78 times: Mensa-Foyer, Bibliothek, „Markt der Möglichkeiten“)
- roll-ups (put up in the Mensa foyer 242 times plus distributing flyers replacing the info stall)
- the “International Coffee Hour” organized as meeting point for students (**231 times**, each first and third Wednesday of the month from 1 to 3 pm plus time for preparation and clearing up)
